— Bi-track is a minimalistic brass bike rack. It can be used in public and private spaces, recognizable as a sign and symbol. One simple line that bends and becomes three dimensional; it ends with a small light, the natural conclusion of the bicycle journey, a sort of haven.

Brass will change with time and will suit with every environment.

**Category** Furniture Collection  
**Gross weight** 11 kg  
**Packaging size** 30 x 135 x h 122 cm

### Lighting Technical specification

- Led 10 mm / White
- White lens with Ø 10mm
- On / Off switch
